Tiny Thinkers
Think big even if you're small

Nursery chef - Jo

Hi, my name is Jo, and I have been working for over 25 years in the food catering industry with a fantastic passion for all the vibrancy and flavours which food offers.

Originally from Brazil, my culinary skills are inspired by my travels and South American roots, specifically Brazilian cuisine. "My mother was my big inspiration and watching her cook from a young age developed my first wish to become a chef".

At Tiny Thinkers, I help to develop our seasonal menu and I prepare all the high-quality dishes. I also manage the kitchen and ensure that all the Health & Safety regulations are always followed.
